

September 3, 2015

Dear Parents/Guardian:

In order to participate in our soccer, basketball or softball teams, each player grade 6 & up, is required to have an annual Sports Physical Examination.

You may use your own private Physician, or the physical exam can be done by Chapel Hill Academy's School Physician, at no cost to you. The school's physician will be here to give physicals on Thursday, September 10, 2015 and Thursday, September 17, 2015.

PLEASE NOTE – If you have the physical exam done by your private Physician, it MUST be documented on the NJ Pre Athletic Physical Exam form. There is no exception to this, as this is the requirement of the State of New Jersey. Under no circumstance can a student participate in a sport without clearance documented on this form. The physical must be within 1 year of the start of the sport.

The form can be found on the Chapel Hill website under the Nurse & Health section and consists of two parts. Part A is to be completed by the Parent(s), prior to the Physical Exam.

Please complete the bottom portion of this letter which gives permission for the School Physician to examine your child, and return it with the completed Parent section of the form.

If you have any questions, please call me at 973-686-0004 x107.

Lisa Bell, RN, BA, CSN  
School Nurse
